

ABOUT US

System Scale is a trusted leader in the weights and measurements industry.

Since 1979, we've been creating lasting value for companies in industries including agriculture, chemical, manufacturing, and more. We're 100% employee-owned, and quality is at the heart of everything we do.

QUALITY YOU CAN MEASURE

500+ 5-STAR REVIEWS

"I've used many scale companies over the years, and no one compares to System Scale. They are punctual, professional, and efficient."

— William F.
